AARON [redacted]

DECKHAND | FIRST MATE

Homestead, FL [redacted]
[redacted]
[redacted]

PROFESSIONAL SUMMARY

Hands-on marine crew member with experience working aboard fishing boats, assisting with fishing operations, handling lines, cleaning vessels, and performing routine vessel maintenance. Familiar with lobster and crab traps, ballyhoo, marine yard work, trailer repairs, and forklift operation. Reliable team member with additional experience in construction, equipment handling, and workplace safety.

MARINE EXPERIENCE

First Mate / Deckhand

[redacted] | *Islamorada, FL | January 2023 – August 2026*

- Worked aboard boats supporting fishing activities and day-to-day deck operations.
- Assisted with fishing operations involving lobster traps, crab traps, and ballyhoo.
- Handled lines and supported general boat handling and crew tasks as assigned.
- Cleaned vessels after use and helped keep work areas and equipment orderly.
- Performed routine vessel and equipment maintenance to help keep boats in working condition.
- Completed marine yard duties, including trailer-related repairs and general upkeep.
- Operated a forklift as part of marine yard and equipment-handling duties.

ADDITIONAL EXPERIENCE

Project Manager

[redacted] | *Miami, FL | January 2024 – April 2025*

Coordinated project schedules, materials, contractors, permits, inspections, and safety requirements. Maintained records and communicated with clients and project teams.

Laborer

[redacted] | *Key Largo, FL | August 2022 – January 2024*

Supported site preparation, material and equipment transport, inventory, and general labor while following jobsite safety practices.
