

JAMES L [REDACTED]

Yacht Captain/ Fleet Manager

OBJECTIVE

Professional and Charismatic Yacht Master with 14 years and over 60,000 Nautical miles logged
My Objective is to leverage my skills, experience, and operating procedure to serve as captain/ manager. I take great pride in my ability to lead and manage crews professionally to accomplish the goals set forth. I am a highly motivated individual aiming to utilize my extensive experience in yacht and crew operations. My entire boating career has been without incident and been successful in providing a safe and enjoyable experience to clients and guests.
