PHILIP [redacted]

[redacted] **Saint Augustine, FL** [redacted]

PROFILE

Honest - Dependable - Professional

Confident and trustworthy British captain and engineer who ongoingly creates long-term partnerships with yacht owners, brokers, contractors and crew. Over 28 years of professional seafaring with a lifelong nautical passion. Bringing a meticulous budget conscientious eye for detail to each operation, where an attitude of work hard in a safe and enjoyable environment brings pride to all concerned. Calm, positive and respectful, he is known as someone who brings "peace of mind" to those who take on challenging projects.
