ABOUT ME

Seasoned USCG 100 Ton Master (Near Coast) with over 25 years in the marine industry, combining hands-on engineering expertise with a calm, capable approach to navigation, maintenance, and guest safety. Known for troubleshooting on the fly, running vessels with precision and care, and delivering smooth, enjoyable trips whether fishing offshore, cruising the islands, or handling busy dock maneuvers. Equally comfortable at the helm or in the engine room, I deliver the expertise, professionalism, and personal touch that ensure yachts operate seamlessly and owners enjoy complete peace of mind.
