## SECOND STEWARDESS

Hello Captain! I'm Giovana, at 23 years old I have completed 5 seasons as a SuperYachts Stewardess in the Mediterranean, since I've started my journey in this industry at 18. I can handle full charter season, long hours and work under pressure as I know the reality of this job, but always with a sunny attitude while maintaining good crew relationships. This winter I am seeking to do my first Caribbean season onboard a Charter Yacht. If you are looking for someone reliable to join your crew here is my contact.
