EXPERIENCE

Captain / Private / 26m-85ft Pacifica

Newport, California
2025

- Served as the Second Captain in Command for certified at-sea burial services, supporting the Captain in all navigational, ceremonial, and operational duties.
- Oversaw vessel preparation, passenger safety, and compliance with U.S. Coast Guard regulations, including EPA requirements for legal sea burials.
- Managed ceremonial logistics, ensuring respectful handling of remains, proper positioning at designated coordinates (minimum 3 nautical miles offshore), and documentation of official burial-at-sea records.
- Assisted in vessel maneuvering during ceremony positioning, maintaining steady heading and drift control to ensure smooth and dignified memorial operations.

Captain / Private / 15m-50ft Sea Ray

Miami, Florida
2019 - 2024

- Commanded a private vessel with up to 18 passengers, ensuring their safety, comfort, and overall satisfaction throughout each journey.
- Developed and implemented comprehensive safety protocols and regulations in accordance with maritime safety standards to ensure a secure and efficient voyage.
- Monitored weather conditions, navigated diverse waterways, and managed all operational aspects of the vessel, including crew coordination and passenger management.
- Delivered exceptional customer service, addressing passenger needs and providing a personalized experience to enhance client satisfaction.

Captain / Charter / 22m-72ft Mangusta & 18m-60ft Sea Ray

Miami, Florida
2021-2024

- Commanded a charter vessel with up to 13 passengers, ensuring the safety, comfort, and satisfaction of all on board.
- Gained extensive experience in navigation, maneuvering, and overall vessel operations, including route planning, weather assessments, and adjusting to changing conditions for smooth and safe voyages.
- Developed and enforced safety protocols, conducted drills, and ensured all safety equipment was properly maintained and ready for use.
- Coordinated effectively with the crew to ensure smooth operations and provided exceptional service, addressing passenger needs and delivering a high-quality onboard experience.

Captain / Charter / 11m-36ft Sea Ray & 10m-35ft Chaparral

Miami, Florida
2019-2021

- Commanded a charter vessel with up to 13 passengers, ensuring safety, comfort, and satisfaction on every voyage.
- Enforced safety protocols, conducted drills, and ensured all safety equipment was properly maintained.
- Coordinated with the crew to ensure efficient operations and delivered top-notch service to passengers.
