

Olivia

Deck/Stew

PROFILE

Positive, polished, and highly dependable crew member with a strong work ethic and a genuine passion for hospitality and life on the water. Experienced in providing exceptional guest service while maintaining professionalism, organization, and attention to detail. Adaptable and eager to learn, with a hands-on approach to vessel upkeep, cleanliness, safety, and supporting daily operations wherever needed. Calm under pressure, quick to anticipate needs, and committed to creating a welcoming, seamless experience for owners and guests. Known for being punctual, personable, and bringing a positive attitude to every challenge. Excited to contribute to a long-term team with integrity, flexibility, and dedication.

EMPLOYMENT HISTORY

Bartender/ Stewardess

June 2026 - present

77ft Privately Owned Yacht

Maintained accurate inventory records and ensured all guest areas remained fully stocked and organized. Delivered exceptional hospitality and beverage service with mixology experience while anticipating owner and guest needs. Assisted with line handling during docking and departures, supported routine vessel maintenance with proper care of varnish, teak, stainless steel, and onboard fixtures, and restocked provisions for extended trips. Worked closely with crew to support daily operations, maintained a clean and welcoming environment, adhered to safety protocols, and actively participated in onboard safety drills. Demonstrated flexibility by assisting wherever needed to ensure smooth vessel operations and an exceptional owner and guest experience.

Art Teacher

January 2020 - June 2026

K-12 (Brighton Charter School/ Globe High School/ American Leadership Academy)

Six years of experience teaching art to children and adults in structured and private settings. Strong background in maintaining and organizing materials, ensuring supplies are clean, stocked, and presentation-ready at all times. Skilled in clear, calm communication with a wide range of people and adapting tone and approach to different needs. Experienced in real-time problem solving, adjusting quickly to changing schedules, limited resources, and client needs while maintaining a smooth, organized environment.
