CAPTAIN MICHAEL D[redacted]

Kalamazoo, MI | Phone: [Your Phone Number] | Email: [Your Email Address] | Willing to Relocate

PROFESSIONAL SUMMARY

High-energy, safety-focused USCG Licensed Master Captain with over 35 years of incident-free vessel handling and maritime leadership experience. Proven capability commanding commercial passenger operations, managing groups of 100 to 150 passengers on large tour vessels, and navigating open-water charter sportfishers. Combines rigorous technical aptitude in marine electronics, towing, and diesel/outboard propulsion with premium guest hospitality skills. Fully cleared with an active TWIC credential, Class A CDL, and bilingual English/Spanish fluency—uniquely optimized for high-volume, premium Florida Keys tour fleets and multi-vessel operations.

PROFESSIONAL MARITIME EXPERIENCE

Relief Captain / Passenger Vessel Operator *2026 – Present*

[redacted] | Muskegon, MI

- Command and assist with pilotage operations aboard the 61-foot [redacted] commercial passenger vessel (70 Gross Tons).
- Safely board, monitor, and disembark high-capacity tourist crowds ranging from 100 to 150 passengers per cruise excursion.
- Direct heavy-vessel maneuvering, close-quarters docking, complex anchor deployment, line handling, and pre-departure safety sweeps.
- Deliver exceptional, high-energy customer service for multi-vessel events, public eco-tours, weddings, and premium sunset charters.
- Collaborate seamlessly with maritime crew to execute emergency response drill protocols, assuring 100% USCG policy compliance.

Charter Captain / Tournament Fishing Guide *2026 – Present*

[redacted] | Michigan

- Operate a 31-foot twin-engine express sportfishing charter vessel, managing technical offshore multi-day salmon excursions on open Great Lakes waters.
- Monitor real-time open-water meteorological shifts, managing navigation tracks via heavy radar, 3D sonar, and VHF systems to prevent weather incidents.

- Provide enthusiastic, hands-on instructional guest hospitality during rigorous deep-water trolling deployments, sustaining high re-booking rates.
- Oversee comprehensive mechanical system readiness, fluid system configurations, and electrical wiring adjustments across marine trailers and powerplants.

Owner / Commercial Vessel Operator *2020 – Present*

[redacted] | *Michigan*

- Founded and built an active marine logistics and recreational charter service, scaling regional marketing and operations framework.
- Command safe navigation, custom route design, and precise docking for a 19-foot recreational power vessel specializing in high-end private cruises.
- Perform extensive custom electrical wiring modifications, structural layout upgrades, and mechanical maintenance checks to ensure fleet readiness.

ADDITIONAL BACKGROUND & CORPORATE EXPERIENCE

Professional Commercial Package Driver *2014 – 2026*

[redacted] | *Michigan*

- Safely operated heavy-duty commercial delivery fleets over a 12-year tenure, maintaining a flawless, accident-free roadway record.
- Conducted strict daily Department of Transportation (DOT) industrial vehicle safety inspections, logbook auditing, and logistics oversight.

Professional Event Host & Audio Production MC *1991 – Present*

[redacted] | *Regional*

- Manage premium crowd engagement and live sequence coordination for events up to 200+ guests, executing high-fidelity audio engineering.
- Cultivated elite interpersonal customer service and verbal command mechanics, ideal for controlling passenger safety on tourist catamaran platforms.
